*These Oceanlily maternity swimsuits are designed to hug your growing tummy. Mesh lining keeps the water flowing in and out nicely and helps the top from floating upward when in the water. The prints are unique and designed by our talented design team. They are a high quality, functional and stylish swimsuits that are well made for aqua fit, beautiful for strolling the beach and comfortable for relaxing by the pool.*

*These swimsuits are well constructed with mesh lining and built in bra and come in a variety of styles: tankini, 1 piece, standard bikini bottom, 3 in 1 bikini bottoms, boyshort bottoms.*

*We hope you like them as much as we do.*
